

Safeguarding Kids' Identity & Online Privacy

July 13th at 10:30am or July 22nd at 5:30pm

Today's youth are tech-savvy and connected online. More than ever, parents need to play a role in helping them avoid online hazards such as identity theft, privacy, and cyberbullying. This workshop covers those important issues, including managing computer settings, key facts about smartphone apps, and encouraging positive online behavior.
