As a member-owned, not-for-profit financial cooperative, Patelco is passionate about helping members achieve lifelong financial well-being.

For a limited time, we are making it even more rewarding to join Patelco. Here's how it works:

1. Become a new member by opening a checking account (with a minimum \$100 opening deposit) using your employers' business code:  
**R5B7SJCW**
2. You will receive a \$50 reward credit in the membership savings account.
3. **BONUS REWARD:** New member will get additional \$50 for each of the following loan accounts opened: credit card, auto loan, personal loan, or a home loan.<sup>2</sup>

<sup>1</sup>Refer a friend using your business referral code provided above. For employees to qualify for the \$50 bonus, they must use the code provided to open a checking account with a minimum opening deposit of \$100 before September 24, 2021. The \$50 reward will be credited to the membership savings account within 5 working days of the qualifying new account being opened. Businesses and Patelco team members do not qualify for the \$50 reward. There's no fee to join and your membership includes a free savings account. Patelco will deposit \$1 in your saving account upon qualified account opening.

<sup>2</sup>New members joined through the Refer a Friend program who also opened a new loan account before December 31, 2021 will receive bonus reward of \$50 deposited into their savings account 7 days after funding/activation of each eligible loan. Eligible loans include: credit card, auto loan, motorcycle loan, RV loan, personal loan, mortgage, or home equity loan/line of credit. The credit cards account must be activated. Total rewards from the Refer a Friend program cannot exceed \$500 and this offer cannot be combined with any other promotion. If you receive \$600 or more in prizes from Patelco throughout the year, we'll send you an IRS Form 1099.
